Hadith Lesson of the Month:

"And there shall wait on them [the Muslim men] young boys of their own, as fair as virgin pearls."

Hadith Number 16245, Volume Title: "The Sayings of the Syrians," Chapter Title: "Hadith of Mu'awiya Ibn Abu Sufyan":

"I saw the prophet – pbuh – **sucking on the tongue or the lips of Al-Hassan son of Ali**, may the prayers of Allah be upon him. For no tongue or lips that the prophet sucked on will be tormented (by hell fire)

He (the Prophet) **lift up his (al Hassan's) shirt and kissed his (little) penis.."**

روى أنه صلى الله عليه وسلم قبل زبيبة الحسن أو الحسين

He (the prophet) kissed the (little) penis of al Hassan or al Husein

رأيت النبي صلى الله عليه وسلم فرج ما بين فخذي الحسين و قبل زبيته

He (the prophet) put Husein's legs apart **and kissed his (little) penis**

Another Hadith. Majma al-Zawa'id, Ali ibn Abu Bakr al-Haythami, 299/9 مجمع الزوائد لعلي بن أبي بكر الهيثمي

رأيت رسول الله صلى الله عليه وسلم فرج ما بين فخذي الحسين و قبل زبيته

رواه الطبراني و إسناده حسن

translated into English: "I saw the **Messenger of Allah pbuh putting Husein's legs apart and kissing his (little) penis.**"

Related by Al-Tabarani and it's authentication is fully validated by Islamic scholars.

Hussein and Hassan is not the same name, so clearly this is of two accounts and he kissed more than one penis.

Muhammad would also invite young boys to see him wash his penis and buttocks:

Narrated Anas bin Malik:

Whenever Allah's Apostle went to answer the call of nature, I along with **another boy used to accompany him** with a tumbler full of water. (Hisham commented, "**So that he might wash his private parts with it.**") (*Sahih Al-Bukhari*, Volume 1, Book 4, Number 152; see also Numbers 153-154)

Other sick practices of Muhammad include having his young child bride wipe semen off his clothes:

Narrated 'Aisha:

I used to wash the traces of Janaba (semen) from the clothes of the Prophet and he used to go for prayers while traces of water were still on it (water spots were still visible). (*Sahih Al-Bukhari*, Volume 1, Book 4, Number 229)

Narrated Sulaiman bin Yasar:

I asked 'Aisha about the clothes soiled with semen. She replied, "I used to wash it [semen] off the clothes of Allah's Apostle and he would go for the prayer while water spots were still visible." (*Sahih Al-Bukhari*, Volume 1, Book 4, Number 231; see also Number 232)

Narrated 'Aisha:

I used to wash the semen off the clothes of the Prophet and even then I used to notice one or more spots on them. (*Sahih Al-Bukhari*, Volume 1, Book 4, Number 233)

A PROPHETIC MASS MURDERER AND WARLORD

Muhammad himself had killed men, women, and children when he raided villages and towns, mostly those whom he regarded as unfit for slavery, ill, elderly, disabled, etc.

He murdered men and male children as he considered them a future threat to him and his growing cult. Of male children, he murdered adolescents but spared only the younger boys, all those who hadn't yet attained puberty. According to Hadiths, Muhammed had really ordered the killings of all adolescent boys and men from the raided villages and towns. None of the murdered males was ever given any chance to convert to Islam – the so-called religion of peace.

Furthermore, Muhammad held innumerable families as hostages and demanded ransoms for some of them. He split many families asunder when he murdered their menfolks and enslaved womenfolks and elderly people. He forced women and young girls into sex slavery – in other words, into forced prostitution. He forced the elderly people into dire labour; they toiled on until they dropped dead from exhaustion, malnutrition and dehydration.

Muhammad's crimes against humanity are all recorded in the Hadiths.

Muhammad did not act as any exemplary Muslim in his own time. He was self-serving, greedy, power-hungry, lascivious, narcissistic, unprincipled, etc.

Muhammad was not half as principled as Abu Bakr, his contemporary who most showed humanity to the weak and oppressed, the sick and disabled, the young and old, etc. Abu Bakr was always the one who relentlessly implored Muhammad to refrain from cruelty to slaves, hostages, elderly, women, etc.

You should not post such false accusations against a religion and disrespecting it. You people based on your discreet knowledge accuse the Prophet of Allah S.A.W., please do your research from authentic sources and stop spreading these false accusations. Every religion should be studied from its own perspective not from others point of view. Other's point of view are not free from emotions, self-built biases and false information which was spoon fed by some misguided person. Additionally Other's point of views lack the concept of objectivity. Kindly research every religion as prescribed in their religious point of view. This goes for islam too , you should get rid of these false sources of hadith. Consider reading the Sahih Bukhari or Sahih Muslim for once. There are no errors in the quran, Consider reading the Tafsir(detailed explanation) of quran please and then your queries and misconceptions would be cleared. May Allah grant everyone with Hadayat and bless them with the joys of the dunyah and Akhirah. Allah is the ever forgiving and the most merciful and may he guide everyone and bless everyone with his mercy and happiness. (Ameen)
