Ayatollah Khomeini as everyone probably knows, was the leader of Iran. Khomeini was also a very respected poet and scholar on the Koran and on Sharia law, and wrote many books and interpretations on the teachings of Islam. In Iran Khomeini was basically looked on as a form of prophet with deep spiritual knowledge and wisdom.

There are over 200 books (http://gemsofislamism.tripod.com/khomeini_works.html) by Khomeini translated into English and most of them available on the web. In Khomeini's writings he openly approves, according to Sharia, for Muslims to have sex with animals, to force themselves on and rape women and to sexually assault even babies.

Ayatollah Khomeini's rape of a small 4-year old child

An excerpt from 'Hal Ataaka Hadeeth ur-Raafidah' by the late Sheikh Abu Mus'abaz-Zarqaawi (*discussed* (http://www.shiaweb.org/books/llah_llhaq/pa29.html), here)

"The author of the book 'For Allah, Then For History' [1] mentions to us an event that took place before his very eyes, when al-Khomeini [2] was living in Iraq, and was visiting an Iranian individual by the name of Sayyid Sahib.

He says: 'Sayyid Sahib was joyous with our visit, and we arrived at his house around the time of Dhuhr. So, he prepared for us a lavish dinner, and called some of his relatives, who came to see us, and the house became crowded in celebration of our presence.

Sayyid Sahib then requested that we spend that night at his home, to which the Imam agreed. When it was night time, we were given our supper, and the guests would take the Imam's hand and kiss it, and they would ask him questions, with him answering their questions.

When it was time to sleep, the guests had all left, except for the inhabitants of the house. **Al-Khomeini laid his eyes on a young girl who, despite being only four or five years of age, was very beautiful.** So, the Imam requested from her father, Sayyid Sahib, that he spend the night with her in order to enjoy her. Her father happily agreed, and **Imam al-Khomeini spent the night with the girl in his arms, and we could hear her crying and screaming [through the night]."**

Footnotes

[1] This book was written under the alias Husayn al-Musawi, a former companion of al-Khomeini who later abandoned his previous beliefs.

[2] Ayatollah al-Khomeini was the leader of the Shee'ah Raafidah of Iran in the 1980s.

Here is another quote from a fatwa by the late and unlamented Ayatollah Khomeini of Iran.

"A man can marry a girl younger than nine years of age, even if the girl is still a baby being breastfed. A man, however is prohibited from having intercourse with a girl younger than nine, other sexual acts such as foreplay, rubbing, kissing and sodomy is allowed.

A man having intercourse with a girl younger than nine years of age has not committed a crime, but only an infraction, if the girl is not permanently damaged. If the girl, however, is permanently damaged, the man must provide for her all her life. But this girl will not count as one of the man's four permanent wives. He also is not permitted to marry the girl's sister."

— Ayatollah Khomeini, *Tahrir al-Vasyleh*

"Establishing the Islamic state world-wide belong to the great goals of the revolution." — Kohmeini, *Resalat*, 25 March 1988.

"A man can have sex with animals such as sheep, cows, camels and so on. However he should kill the animal after he has his orgasm. He should not sell the meat to the people in his own village, however selling the meat to the next door village should be fine." — From Khomeini's book, *Tahrir al-Vasyleh* (http://gemsofislamism.tripod.com/khomeini_works.html#answer_tahrir), fourth volume, Darol Elm, Gom, Iran, 1990

“A man can have sexual pleasure from a child as young as a baby. ... This girl, however would not count as one of his four permanent wives. The man will not be eligible to marry the girl’s sister.” — “Ayatollah Khomeini in Tahrir al-Vasyleh (http://gemsofislamism.tripod.com/khomeini_works.html#answer_tahrir),” Fourth Edition, Darol Elm, Qom, Iran, 1990.

Other forms of sexual abuse inflicted on children by Muslim male family members include fondling of genitals, coercing a child to fondle the abuser’s genitals, masturbation with the child as either participant or observer, oral sex, anal or vaginal penetration by penis, finger or any other object.

Another technique used by Muslim men is called “thighing” (Mufakhathat or Mufakhazat Alzigaa). The child’s legs are pressed together and the abuser inserts his penis between the thighs of the little boy or girl. This practice was approved of by Ayatollah Khomeini who in his Little Green Book (<https://themuslimissue.files.wordpress.com/2013/02/greenbook.pdf>) (full book in PDF) asserted **“It is not illegal for an adult male to ‘thigh’ or enjoy a young girl who is still in the age of weaning; meaning to place his penis between her thighs, and to kiss her.”**

Muslims will often argue that *kafirs* have invented the Mufakhathat claim because they “do not understand Islam”. And being ‘unclean’ they have no ability to grasp the meaning of a ‘great’ book like the Koran. They also argue that it is only a Shia practice. Well, let the Bahrain women’s rights activist Ghada Jamshir, in the last video below, give witness that it happens amongst Arab men everywhere and not only the Shia’s. Islam does not give Muslim men any moral format, any humanized upbringing.
